

2026 Strychnine Stewardship Training Registration Guide

Registration for Strychnine Stewardship Training

Step 1: Click the “Click Here” link from the SARM Website to the Strychnine Stewardship Training

Step 2: Select your Training

- **If you are a producer,** pest control officer, or applicator please select the “Strychnine Stewardship Training for **Producers**”
- **If you are a RM administrator,** please select the “Strychnine Stewardship Training for **Administrators**”

Step 3: Click “Enroll for free” (yellow button)

Step 4: Create your account

- Confirm all your details are correct (including name and email address)
- You must agree to the Customer Privacy Policy to create an account and continue to the training. By registering for the Strychnine Stewardship Training course, you consent to:
 - The collection and use of your personal information by the Saskatchewan Association of Rural Municipalities for the purpose of administering and managing your participation in the Strychnine Stewardship Training course; and
 - The disclosure of your personal information to the Saskatchewan Ministry of Agriculture, the Alberta Ministry of Agriculture and Irrigation, to the municipalities participating in the strychnine stewardship program, and to the designated distributor of Strychnine, for the purposes of confirming your eligibility to participate in the strychnine stewardship program and ensuring regulatory compliance.

Step 5: Click “Sign Up” (yellow button)

Step 6: Complete your registration

- Create a password (to log back into the training you will need your email address and password)
- Confirm you have selected your correct Municipality
 - You will have to choose the rural municipality in which you intend to access the strychnine. Typically, this is the rural municipality in which your home or your most amount of land is located. The municipality from which you intend to access strychnine must be eligible and willing to distribute it.
 - To find your municipality, you can either type your municipality in or use the drop-down menu.
- Select whether you are an Administrator or Producer
- Select your province
- Confirm your phone number

Step 8: You now have access to the training and can begin the introduction!

Once You are Registered

- At this point you will have the opportunity to work through each stage of the course. After reading or reviewing the material on each page, click “Complete & Continue” at the bottom of the screen.
- You will need to pass each Knowledge Check or “Quiz” as you encounter them.
- After completing all the required content, you can generate your certificate of completion. Your certificate may be either downloaded, or you can take a screen shot. There are instructions at the end of the training on where to find and download your certificate.
- Once you have fully completed the course and collected your certificate, your record of completion will be provided in a report that your rural municipality can access. Please note: **It takes at least two business days for the report to be made available to your municipality.**
